SOCOM OCS Planning Initiatives

Projects

- CONPLAN 7500 Revision 3
- SOCOM Campaign Support Plan
 - Early Stages
- SPOT implementation on SIPRNet
 - Incorporate into SOCOM Policy
- SOCOM OCS support structure
- CCSP and CSIP (for National Force)

Best Practices

- Integration with the CSO and J5 OPTs
- Educating CCOs on OCS through the SOCOM CCO Orientation Program and site visits
- Development of a SOCOM Deployed Contractor Accountability Report

Lessons Learned Planned Proj Initiatives (12-18 Months)

- SOCOM plans and processes unlike those in the GCCs -Service components independence
- OCS awareness must be incorporated throughout the SOCOM J-codes.
- Reviewing GCC supporting plans for 7500

- Continue to refine Annex W/CSIP to best-fit SOCOM plans & requirements
- Complete SPOT implementation for all contractor personnel deployed
- GAO Visit (tentatively scheduled for Apr 09)
